Dear Mr. Nicksic,

I've recently been made aware of the good work being done by you and your colleagues at Origin Entertainment. There is little doubt that Pope John Paul the Great's call for a New Evangelization must include the more effective use of all modern media and I pray that more men and women such as yourselves, who possess such talents in this area, might step forward and proclaim the Good News using the gifts God has given you. You and your colleagues are truly living out the mission of lay Catholics as reaffirmed by the Second Vatican Council.

Please know that you, your families, and your good works are in my prayers. With my blessing and every good wish, I am,

Sincerely yours in Christ,

The Most Rev. Robert C. Morlino
Bishop of Madison
